

#UPSsaturday: UPS Saturday E-Commerce Operations

UPS now makes e-commerce easier for shippers and consumers. Our new Saturday operations - including Saturday ground delivery and Saturday pickup services for residential and commercial addresses - give businesses a competitive service edge while delighting consumers with faster delivery of must-have packages.

Retailer benefits:

Get **Saturday pickups** and provide **Monday delivery** of Saturday orders

Consumer benefits:

Shop on **Saturday**, open a box on **Monday**

SHIPPER OPPORTUNITIES:

Reduce chances of cart abandonment due to shipping taking too long

Faster processing of inventory

Improve customer satisfaction

How It Works

RESIDENTIAL GROUND DELIVERY

Eligible packages that would have been delivered Monday will now be **delivered Saturday** (2 days earlier)

No additional charge or change in order processing

Enhances existing flexibilities available through the **UPS Access Point network** and **UPS My Choice®**

COMMERCIAL GROUND PICKUP & DELIVERY

Shippers can request a **Saturday pickup**; fee applies

Saturday pick-up customers can also request to **receive their deliveries** on Saturday
